DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This is a notice that the examiners answer dated February 9, 2009 and the supplemental examiners answer mailed on April 23, 2009 are hereby withdrawn.

After the first examiners answer, the application was returned to the examiner by the appeals center for an issue related to an apparent inconsistent ground of rejection. However, applicant was unaware of the return and filed a Reply brief on April 9, 2009. The examiner in response to the appeal center comments submitted what was referred to as a "supplemental" examiners answer. However, this was not in responsive to the Reply brief.

The case is being returned to the examiner for clarification of the record and consideration of the reply brief filed on April 9, 2009.
